ATVs, UTVs & go-karts

Petrol and electric quad bikes, farm UTVs with tipping beds, a side-by-side and go-karts — for getting around the farm, carrying loads and weekend fun.

WHO WE ARE

Farm equipment, at the price it *actually* costs.

Built by farmers, for farmers. Andrivo sources farm infrastructure and equipment from international manufacturers, handles the entire import process, and delivers to your farm anywhere in Southern Africa.

No hidden chain of markups: our only charge is a service fee on top of the true cost, 30%, or 25% with a referral code.

How every quote works

1**Factory direct**

We work directly with the manufacturer of every machine in this catalog — no middlemen.

2**Inspected before it ships**

Each order is checked against the factory spec sheet before it leaves the plant.

3**Shipping & customs handled**

Freight, duties, clearing and transport to your gate are all managed by us.

4**Parts & aftersales**

Spares in stock, and every machine logged to your farm under My Farm by Andrivo.
