1LY 1LY disc ploughs

Disc ploughs that do not wrap grass, block or bulldoze soil. They cut through stems and roots, suiting green-manure crops, stubble lands, weedy fields and soils with stones or rubble, with low draft and easy handling. Scrapers are optional.

Model	1LYQ-320	1LYQ-420	1LYQ-520	1LY-325	1LY-425	1LY-530
Working width (m)	0.60	0.80	1.00	0.75-0.90	1.0-1.20	1.25-1.50
