

RIDING LAWN TRACTORS

LT34R // LT36R // LT40R // LT38S
LT42R // LT42S // LTP42R

A powerful and user-friendly riding lawn tractor designed for efficient and comfortable mowing over large areas, delivering consistent results.

Stylish Hood

The exclusive design provides excellent cooling and durability.

LED Headlights

High visibility in low light situations, these LED are aimed so you see what is in front of you. Better lighting and longer lasting than incandescent lights.

Anti-Collision Guard

CE | EURO5 | ISO

Performance Meets Power

Achieve a neatly manicured lawn in just minutes with a ride-on lawn mower. This mower comes standard with a comfortably upholstered seat and is available with cutting decks of various sizes, allowing you to achieve a clean, even cut at higher speeds. Additionally, you can add a utility cart to easily transport any debris that may accumulate on your lawn.

One-Touch Control Technology

Grass cutting and shredding. Weed removal. Effortless one-touch weed removal operation.

ZONSEN XP680 V-Twin

Powerful engine with abundant and stable power output, providing strong support for efficient mowing and complex lawn maintenance.

Grass Bag

Equipped with a rear grass bag mounting system, it features a large capacity and high collection efficiency.
