ZONSEN XP1000 EI V-Twin

35 HP 999 cc 74 N·m

Powerful commercial-grade engine delivers strong, consistent output for efficient mowing and reliable performance under heavy-duty conditions.

EASY TO OPERATE

Ergonomic design keeps you well aligned with the machine even on slopes and complex terrains. The large suspended platform with intuitive controls ensures easy entry and exit. Adjustable footrests and comfort features enable long-lasting, efficient mowing.

EASY TO MAINTAIN

Oil check via easy-access cover, battery replacement simplified by external box — keeping your mower running strong. Quick cleanup with a water hose after a full day's work makes maintenance effortless.

SERIOUSLY PRODUCTIVE

Available with 32-inch, 36-inch, 42-inch, 50-inch, and 61-inch mowing decks. The larger cutting area provides thorough ground coverage and better visibility. The zero-turning front track enables easy moving in all directions.
