

PRODUCT CATALOG · MACHINERY

Pressure washers & pipe dredgers

Electric and engine-driven high-pressure washers, hot-water sanitising washers, fog and misting units, and pipe dredgers — for wash-down, livestock hygiene, cooling and clearing drains on the farm.

WHO WE ARE

Farm equipment, at the price it *actually* costs.

Built by farmers, for farmers. Andrivo sources farm infrastructure and equipment from international manufacturers, handles the entire import process, and delivers to your farm anywhere in Southern Africa.

Farmers usually pay for a chain of markups they never see — a factory, an export agent, an importer and a local distributor, each adding a margin nobody discloses. Andrivo removes that chain. Our only charge is a service fee on top of the true cost: 30%, or 25% with a referral code.

25%

fee with a referral code (30% without)

How every quote works

1**Factory direct**

We work directly with the manufacturer of every machine in this catalog — no middlemen.

2**Inspected before it ships**

Each order is checked against the factory spec sheet before it leaves the plant.

3**Shipping & customs handled**

Freight, duties, clearing and transport to your gate are all managed by us.

4**Parts & aftersales**

Spares in stock, and every machine logged to your farm under My Farm by Andrivo.

CONTENTS

Which machine for which job?

Pick by the job first, then by pressure and flow. Higher pressure lifts stubborn dirt; higher flow rinses faster and clears pipes. Tell us what you want to clean and your power supply, and we will match the model.

Machine	Power	Working pressure	Flow	Page
 ZJ-series high-pressure washer	2.4 – 11 kW	90 – 110 bar	10 – 25 L/min	04
 ZS-series intelligent high-pressure water unit	30 kW	100 – 160 bar	95 – 145 L/min	05
 ZY-series diesel pipe dredge machine	7 – 36 HP	110 – 250 bar	16 – 72 L/min	06
 ZY-series gasoline pipe dredge machine	7 – 36 HP	160 bar	16 – 72 L/min	07
 JZ-series pressure washer skid unit	2.4 – 11 kW	110 – 250 bar	10 – 25 L/min	08
 ZL-series high-temperature washer (SUS304)	3 – 11 kW	110 – 160 bar	11 – 25 L/min	09
 ZS-series intelligent fog making system	5.5 – 10 kW	70 – 100 bar	40 – 52 L/min	10

Washing

ZJ wheeled washers, JZ skid units for wash bays, and ZL hot-water washers for sanitising.

Fog and cooling

ZS water units and fog systems for misting, livestock cooling and dust suppression.

No power on site

ZY diesel and petrol pipe dredgers for drains, pipes and heavy equipment in the field.

PRESSURE WASHER

ZJ-series high-pressure washer

Wheeled electric high-pressure washer for vehicle, yard and general wash-down work, with 10 m high-pressure outlet hose and adjustable-angle nozzles.

2.4 – 11 kW
motor power

90 – 110 bar
rated pressure

10 – 25 L/min
flow volume

Specifications	
Motor power	2.4 – 11 kW
Voltage	220 / 380 V
Rated pressure	90 – 110 bar
Max pressure	100 – 130 bar
Flow volume	10 – 25 L/min

WHERE IT FITS ON THE FARM
Washing tractors, bakkies and implements in the yard, cleaning dairy parlours, sheds and packhouse floors, and general wash-down around the farm. Plugs into single- or three-phase power.

Figures cover the range of models in this series. Your Andrivo quote confirms the exact model, pressure and flow for your job.

PRESSURE WASHER

ZS-series intelligent high-pressure water unit

Cart-mounted high-pressure water unit with stainless filtration and a digital control cabinet, for garden fog, plant cooling and mine dust suppression.

30 kW
power

100 – 160 bar
rated pressure

95 – 145 L/min
flow volume

Specifications	
Power	30 kW
Voltage	380 V
Rated pressure	100 – 160 bar
Max pressure	110 – 170 bar
Flow volume	95 – 145 L/min

WHERE IT FITS ON THE FARM
Supplying high-pressure water to fog and misting lines in tunnels and greenhouses, cooling livestock and plants in hot weather, and dust suppression on gravel roads, feedlots and quarries.
Figures cover the range of models in this series. Your Andrivo quote confirms the exact model, pressure and flow for your job.

PIPE DREDGER

ZY-series diesel pipe dredge machine

Diesel-powered pipe-dredging trolley with hose reel and high-pressure gun, for clearing community and road drainage pipes — also perfect for blasting mud and caked dirt off heavy farm equipment.

7 – 36 HP
engine power

110 – 250 bar
rated pressure

16 – 72 L/min
flow volume

Specifications	
Engine power	7 – 36 HP
Rated pressure	110 – 250 bar
Max pressure	130 – 270 bar
Flow volume	16 – 72 L/min
Hose length	20 m

WHERE IT FITS ON THE FARM
Clearing blocked drainage and irrigation pipes, and blasting mud and caked dirt off tractors, harvesters and implements where there is no power. The diesel engine suits long days in the field.

Figures cover the range of models in this series. Your Andrivo quote confirms the exact model, pressure and flow for your job.

PIPE DREDGER

ZY-series gasoline pipe dredge machine

Petrol-powered pipe-dredging trolley with a 50 m hose reel, for community and municipal drain cleaning — also perfect for blasting mud and caked dirt off heavy farm equipment.

7 – 36 HP
engine power

160 bar
rated pressure

16 – 72 L/min
flow volume

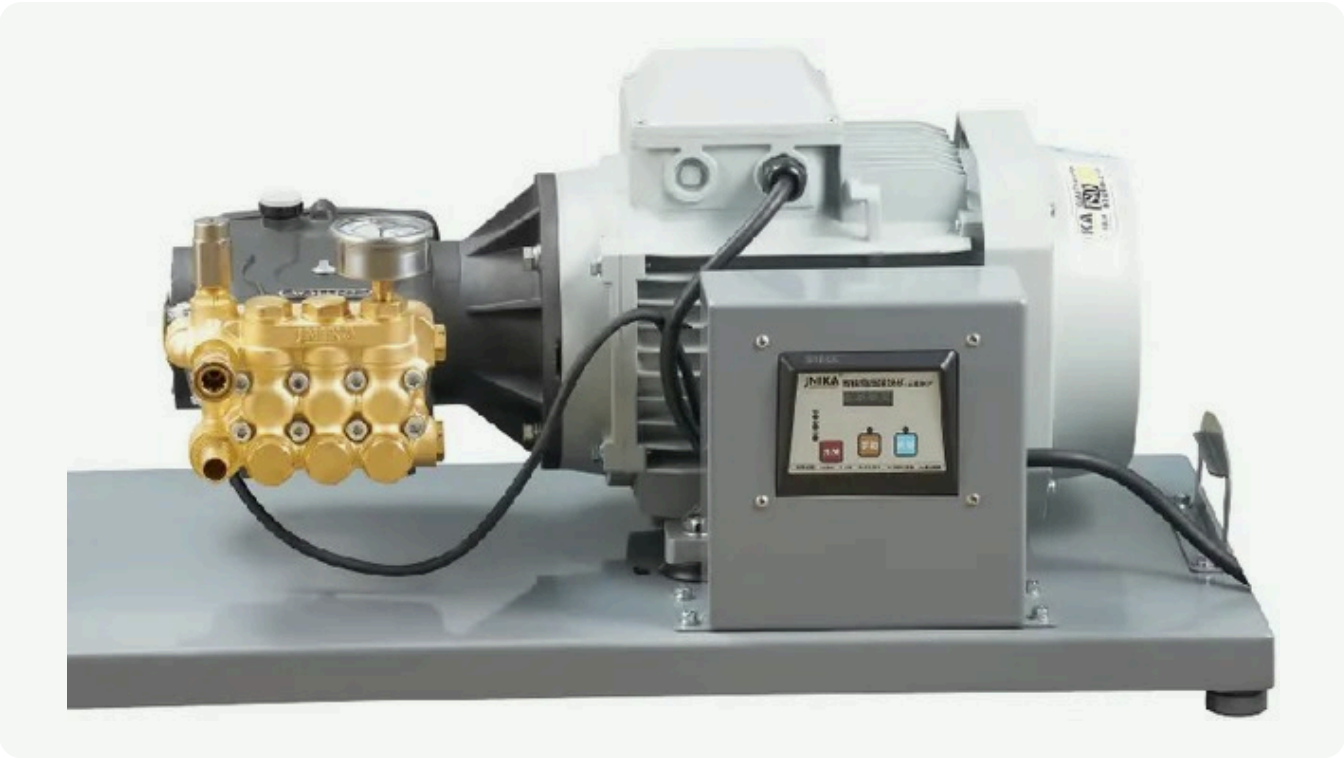

Specifications	
Engine power	7 – 36 HP
Rated pressure	160 bar
Max pressure	180 bar
Flow volume	16 – 72 L/min
Hose length	50 m

WHERE IT FITS ON THE FARM
The same pipe-clearing and heavy-equipment washing work where there is no power, with a longer 50 m hose reel and a lighter petrol engine for occasional use.
Figures cover the range of models in this series. Your Andrivo quote confirms the exact model, pressure and flow for your job.

PRESSURE WASHER

JZ-series pressure washer skid unit

Compact motor-pump skid unit for self-service car wash bays and fixed wash-down installations.

2.4 – 11 kW
motor power

110 – 250 bar
rated pressure

10 – 25 L/min
flow volume

Specifications	
Motor power	2.4 – 11 kW
Voltage	220 / 380 V
Rated pressure	110 – 250 bar
Max pressure	120 – 280 bar
Flow volume	10 – 25 L/min

WHERE IT FITS ON THE FARM
A fixed wash bay for trucks, bakkies and implements, or built into a wash-down line in a packhouse or dairy. The pump and motor bolt to a skid and connect to your own hoses and guns.

Figures cover the range of models in this series. Your Andrivo quote confirms the exact model, pressure and flow for your job.

PRESSURE WASHER

ZL-series high-temperature washer (SUS304)

Stainless-steel high-temperature, high-pressure washer for pigsty, poultry house, chemical plant and kitchen sanitation.

3 – 11 kW
motor power

110 – 160 bar
rated pressure

11 – 25 L/min
flow volume

Specifications	
Motor power	3 – 11 kW
Voltage	380 V
Rated pressure	110 – 160 bar
Max pressure	130 – 170 bar
Flow volume	11 – 25 L/min

WHERE IT FITS ON THE FARM
Hot-water sanitising of pig, poultry and dairy houses between batches, abattoir and kitchen hygiene, and removing grease and oil from workshop floors and machinery. Stainless-steel frame.

Figures cover the range of models in this series. Your Andrivo quote confirms the exact model, pressure and flow for your job.

FOG & MISTING

ZS-series intelligent fog making system

Self-contained fog-making unit with automatic/manual control, for landscape misting, plant cooling and virus/dust suppression.

5.5 – 10 kW
power

70 – 100 bar
rated pressure

40 – 52 L/min
flow volume

Specifications	
Power	5.5 – 10 kW
Voltage	380 V
Rated pressure	70 – 100 bar
Max pressure	80 – 110 bar
Flow volume	40 – 52 L/min

WHERE IT FITS ON THE FARM
Misting and cooling for poultry houses, piggeries, dairies and greenhouses, raising humidity for nurseries, and dust or odour control, running automatically on a timer.
Figures cover the range of models in this series. Your Andrivo quote confirms the exact model, pressure and flow for your job.
