

PRODUCT CATALOG · MACHINERY

Rough-terrain forklifts

3 and 3.5 tonne 4×4 diesel forklifts built for farm yards, orchards, building sites and uneven ground — with buckets, grabs, clamps, sweepers and more that turn one machine into many.

WHO WE ARE

Farm equipment, at the price it *actually* costs.

Built by farmers, for farmers. Andrivo sources farm infrastructure and equipment from international manufacturers, handles the entire import process, and delivers to your farm anywhere in Southern Africa.

Farmers usually pay for a chain of markups they never see — a factory, an export agent, an importer and a local distributor, each adding a margin nobody discloses. Andrivo removes that chain. Our only charge is a service fee on top of the true cost: 30%, or 25% with a referral code.

How every quote works

1**Factory direct**

We work directly with the manufacturer of every machine in this catalog — no middlemen.

2**Inspected before it ships**

Each order is checked against the factory spec sheet before it leaves the plant.

3**Shipping & customs handled**

Freight, duties, clearing and transport to your gate are all managed by us.

4**Parts & aftersales**

Spares in stock, and every machine logged to your farm under My Farm by Andrivo.

TWO MODELS

ZHS30F and ZHS35F rough-terrain forklifts

Four-wheel-drive diesel forklifts on big 20.5/70-16 tyres, with an enclosed cab, an automatic transmission and 250–300 mm of ground clearance. They lift pallets, bins and bales where a warehouse forklift cannot go: gravel yards, orchards, pack sheds and building sites.

Specification	ZHS30F · 3 t	ZHS35F · 3.5 t
LOAD AND SIZE		
Rated load	3 000 kg	3 500 kg
Standard lift height	3 m	3 m
Optional lift heights	4, 4.5, 5 or 6 m	4, 4.5, 5 or 6 m
Standard forks	1 220 × 140 × 40 mm	1 220 × 140 × 40 mm
Mast ground clearance	250–300 mm	250–300 mm
Max. climbing grade	30°	30°
Operating weight	4 000 kg	4 500 kg
Overall size L × W × H	3 850 × 1 850 × 2 600 mm	3 850 × 1 850 × 2 600 mm
ENGINE AND DRIVE		
Engine	Yunnei YN27, 4-cyl. diesel	Yunnei YN27GBZ, 4-cyl. diesel
Rated power	37 kW at 2 400 rpm	42 kW at 2 400 rpm
Transmission	Hydraulic torque converter, automatic	Hydraulic torque converter, automatic
Max. speed	30 km/h	30 km/h
Drive	4×4, Isuzu-50 axles	4×4, hub-reduction axles
TYRES, STEERING AND BRAKES		
Tyres	20.5/70-16, 280 kPa	20.5/70-16, 280 kPa
Steering	Hydraulic, 35°	Hydraulic, 35°
Min. turning radius	4 000 mm	4 000 mm
Service brake	Air-over-oil disc	Air-over-oil disc
Parking brake	Disc	Disc
CAPACITIES		
Fuel tank	60 L	60 L
Hydraulic tank	60 L	60 L

FEATURES

Built for rough ground

Frame Structure - 1

- Thickened and Widened.
- More loading Capacity.

Plate Chain - 2

- Emergency Braking.
- Avoid accidents.

Tilt Oil Cylinder - 3

- Max Tilt Angle 30°.
- Up and down.

Double Pump - 4

- Enough flow.
- Powerful and stable.

Articulated Chasis - 5

- Small turning radius.
- Hydraulic steering.

Engine Hood - 6

- Efficiency.
- Easy-to-open engine hood.

Instrument Panel - 8

- Easy Operation.
- 4 Forward and 2 reverse Gear.

Seat - 9

- Pilot Control.
- Comfortable Seat.

WHAT YOU GET

- Thickened, widened mast frame for more lifting capacity
- Heavy lifting chain with emergency braking
- Tilt cylinders: 30° backward tilt, up and down
- Double hydraulic pump for strong, fast lifting
- Articulated chassis for a small turning circle, with hydraulic steering
- Engine hood that opens fully for easy servicing
- Simple instrument panel, with 4 forward and 2 reverse gears
- Comfortable suspension seat in an enclosed cab

MAST OPTIONS

Mast	Lift heights
Standard, 2-section	3 m
2-section	3.5, 4 or 4.5 m
3-section	4.5, 5 or 6 m

CONTAINER LOADING

Three units fit in a 40 ft container and one in a 20 ft container, which keeps shipping to Southern Africa affordable.

IN THE YARD

ATTACHMENTS AND OPTIONS

One machine, many jobs

Every forklift can be ordered with attachments fitted at the factory, or you can add them later as your work changes. Mix and match the options below, and tell us about any other job: more attachments are available on request.

**Air conditioner****Solid tyres****Loader bucket****3-fork grapple****Side shifter****Down-tilt forks****Soft (bale) clamp****Flat bucket****Adjustable forks****Barrel clamp****Tube clamp****Holding clamp**

Order attachments with your forklift

Add any attachment to your forklift quote and it ships in the same container, fitted and tested. You can also order attachments on their own later. Send us a photo or a short description of the job, and we will find the right attachment.

ATTACHMENTS AT WORK

Buckets, grapples and sweepers

Loader bucket

Moves sand, gravel, feed and manure like a small loader.

3-fork grapple

Grabs logs, poles, prunings and loose bales.

Rotating grapple

Turns loads in the air for stacking timber and pipes.

Sweeper

Clears yards, roads and pack-shed aprons.

Flat bucket with 4-fork grapple

Holds bulky loose material in the bucket.

Tube clamp

Lifts pipes, poles and round loads safely.

ATTACHMENTS AT WORK

Clamps, shifters and cranes

Soft (bale) clamp
Picks up bales, cartons and bags without a pallet.

Side shifter
Lines up pallets without moving the machine.

Down-tilt grapple
Tips the load forward to drop or dig.

Crane jib
Turns the forklift into a small yard crane.
