

A man wearing a yellow safety vest, sunglasses, and a dark cap is operating a red Kutter zero-turn mower on a green lawn. The mower has "KUTTER" and "53" printed on its side. The background shows trees and a cloudy sky.

ZERO-TURN MOWER

A well-maintained lawn shouldn't take all day. Our residential zero-turn mowers are designed to make mowing faster, smoother, and easier to control. With precise maneuverability around trees, fences, and garden features, they help homeowners achieve a clean, even cut with less effort. Simple operation and low maintenance make them a practical choice for everyday lawn care.
