

WOOD CHIPPER

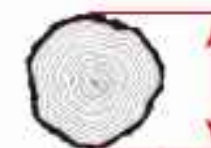

HEAVY-DUTY CHIPPING CAPACITY

270 cc
9 HP
PROFESSIONAL SERIES

Loncin G270FD

270cc 4-Stroke 13 HP Engine: Incredible power matched to a compact design. It delivers strong torque, eliminating bogging and stalling during heavy mulching and chipping.

70 mm 75 mm 90 mm 120 mm

The wood chipper is engineered for reliable performance. Its aggressive cutting blades, intuitive feed system, and robust frame deliver fast, smooth, and consistent chipping of branches, small logs, and garden prunings.

Euro 5

2 BLADE DRUM MECHANISM

Armed with two sharp reversible blades for quick and efficient processing.
