

WHO WE ARE

Farm equipment, at the price it *actually* costs.

Built by farmers, for farmers. Andrivo sources farm infrastructure and equipment from international manufacturers, handles the entire import process, and delivers to your farm anywhere in Southern Africa.

Farmers usually pay for a chain of markups they never see — a factory, an export agent, an importer and a local distributor, each adding a margin nobody discloses. Andrivo removes that chain. Our only charge is a service fee on top of the true cost: 30%, or 25% with a referral code from an Andrivo farmer. It's shown to you before you order, not folded into a price you can't verify.
